*TOWER A4 label templates are preloaded on Microsoft Word.*

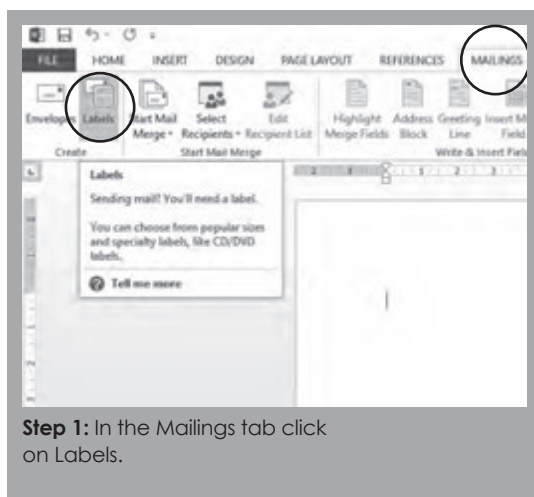

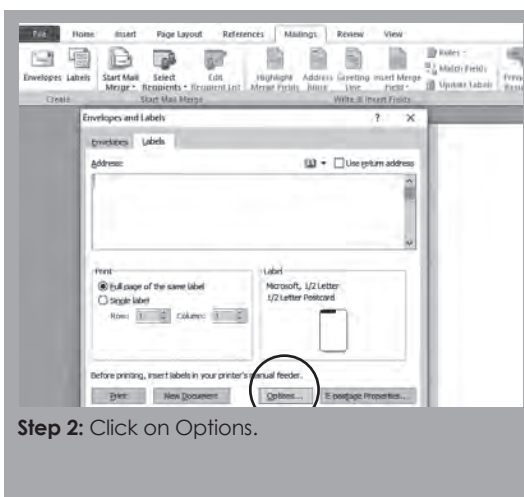

# A4 PRINTABLE RANGE

## STEP BY STEP GUIDE

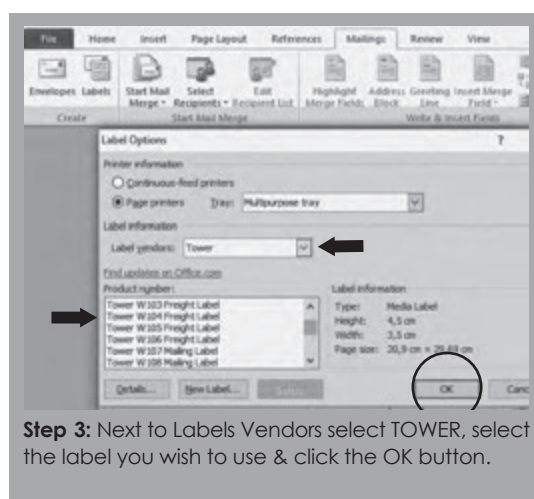

Find your pre-loaded TOWER Templates on Microsoft Office Word 2007 & upwards.

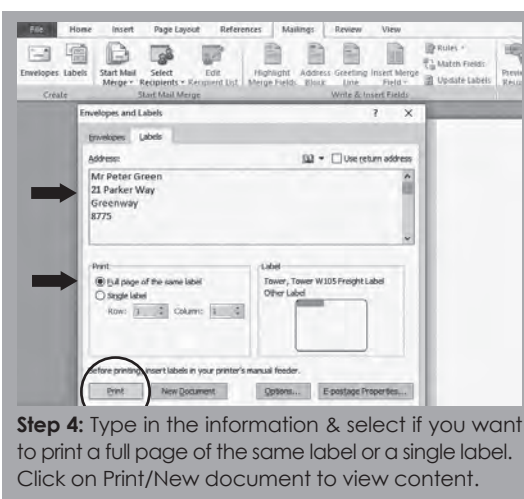

**Step 1:** In the Mailings tab click on Labels.

**Step 2:** Click on Options.

**Step 3:** Next to Labels Vendors select TOWER, select the label you wish to use & click the OK button.

**Step 4:** Type in the information & select if you want to print a full page of the same label or a single label. Click on Print/New document to view content.

**Find your pre-loaded TOWER templates on Microsoft Office Word.**

Organise your work and home with our wide range of pre-cut A4 printable labels.

With 7 different label shapes, and 35 different sizes, there's a label that will meet your need.

## A4 PRINTABLE LABELS

Organise your work and home with our wide range of pre-cut A4 printable labels. With 7 different label shapes, and 38 different sizes, there's a label that will meet your need.

### What are the benefits of using TOWER Labels?

- One label for all printers
- TOWER Templates are available on Microsoft Word
- Free templates available for previous versions of Microsoft Word
- Sizes for all applications
- Guaranteed best quality print results
- Available in 25 sheets/pack, 100 sheets/box or 1000 sheets/bulk pack

Free downloadable templates are available in MS Word, Illustrator, Photoshop, and Indesign from [towerworld.com](http://towerworld.com).

#### Option One:

Scan QR code for  
FREE templates

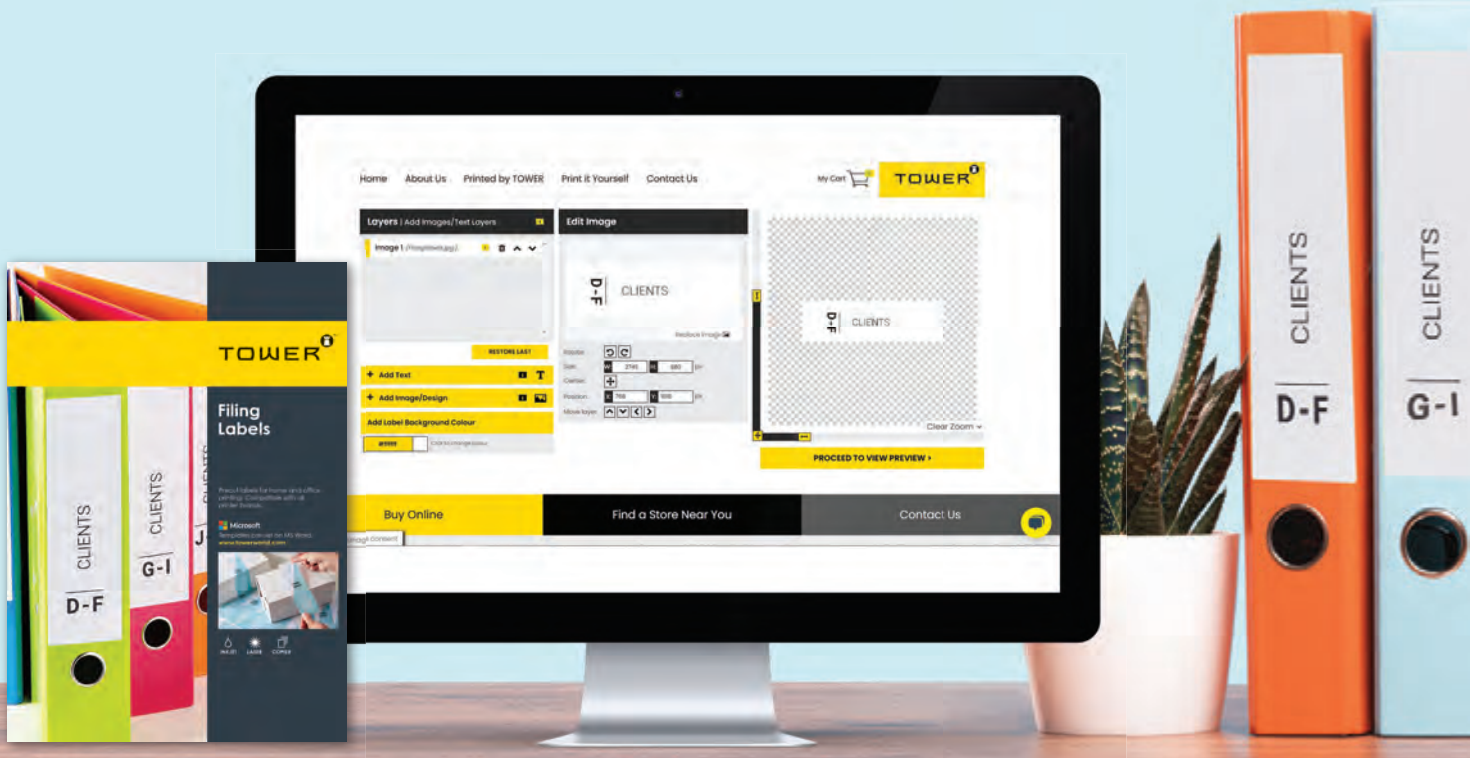

#### Option Two:

Visit the TOWER website for template downloads:

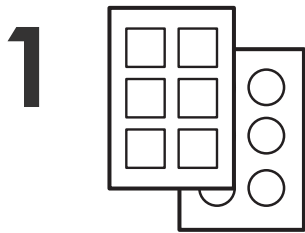

- [www.towerworld.com](http://www.towerworld.com)
- A4 printable labels
- Downloadable Templates

#### WHEN PRINTING:

- Ensure your printer is set to A4
- Your page must be set to 'No Spacing'

Whatever your label and sticker needs may be, we've created a platform that allows you to customise, download and print your designs in 4 easy steps:

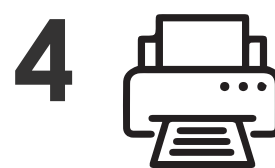

Visit [www.towerworldprints.com](http://www.towerworldprints.com) and select your TOWER template under the Print It Yourself section.

Choose from our pre-designed templates or design your own using our Design Wizard.

Download your finished project.

Place your TOWER labels into your printer and print.

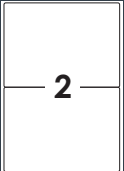

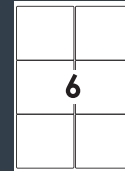

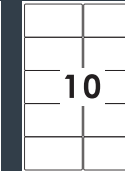

# TEMPLATE REFERENCE

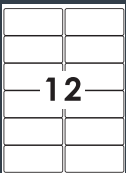

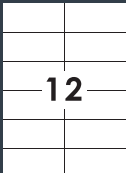

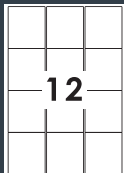

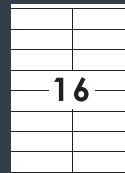

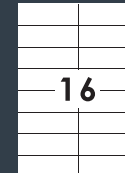

Free templates are available on **Microsoft Word 2007** and upwards or from the TOWER website.

Our wide range of A4 labels gives you choice.

# 4 SCHOOL

*TOWER school helps educational professionals and parents by providing products that encourage, recognise and help build self-esteem in children.*

## SCHOOL RANGE

TOWER has developed a school range that focuses on praise, encouragement and reward. No matter how old a child is, praise and encouragement will help them feel good about themselves. This boosts their self-esteem and helps them to persevere when faced with challenges.

### REWARD

Rewards are your way of saying “well done” after a child has done something good. Reward stickers can be used to reinforce good behaviour and build a child’s self-esteem.

### ENCOURAGEMENT

Encouragement is praising a child’s efforts. This helps to motivate them to keep on trying and remain optimistic when they face challenges.

### RECOGNITION

Children love to be recognised and celebrated - it fills them with a sense of pride for their achievements. Recognition is a powerful driver of a positive self-image and a sense of belonging.

### LEARNING

The learning range is designed to assist with educational activities. These stickers also help develop fine motor skills and logical thought patterns.

### SCHOOL ORGANISERS

Organisers are tools that help children become more self-reliant by helping them to plan and organise their own school work and activities.

### STARS

Star stickers are so versatile, they can be used to decorate, reward, colour code and so much more. Using star stickers in educational activities helps develop fine motor skills in young children.

## REWARD RANGE

Rewards are your way of saying “well done” after a child has done something good. Reward stickers can be used to reinforce good behaviour and build a child's self-esteem.

# CODE AND KEY

Each product within this catalogue has its own unique product code. Each number identifies available size options, which can be found in the key below. Numbers in black squares represent landscape orientations. Numbers in white squares represent portrait orientation.

Our sizes always read width x height (WxH). Use the key below to identify the available size options for your sign of choice. To help choose the best size for your situation you should also take into account the recommended distances for safety signs as per the diagram below.

Keep in mind, as per SANS10400-T, only photoluminescent signs or electrically powered signs, backed up by photoluminescent signs, are allowed to be used inside a building and only SANS1186-1 signs (standard ABS signs) are allowed to be used outside a building.

## MATERIAL:

(A) ABS	(G) Photoluminescent
(B) Aluminium	(H) Reflective
(C) Self-Adhesive Vinyl	(I) Chromadek
(D) Self-Cling	(J) ACM
(E) Self-Adhesive ABS	★ With Suction Cup

## VIEWING DISTANCES

These distances are for guidance only (showing the minimum size sign to use)  
Please refer to SABS 1186/5:2011 photoluminescent (glow in the dark)

Selecting your sign's message is only the first step. Let us help you to decide on the best material for your needs.

## SELF-ADHESIVE VINYL (Decal)

- 80 microns
- Short - Medium term outdoor
- Long term indoor

DURABILITY	1 - 3 YR INDOOR/OUTDOOR
ABRASION RESISTANCE	5/10
UPPER LIMIT TEMPERATURE	-20°C - 80°C

## PHOTOLUMINESCENT (Glow-in-the-dark)

- ABS Laminated with 0.3mm Photoluminescent self-adhesive vinyl
- Long term indoor use
- Can be used indoor but outdoor usage advisable

DURABILITY	7 - 10 YR INDOOR
CHEMICAL RESISTANCE	As per SANS 1186-5
ABRASION RESISTANCE	As per SANS 1186-5
UPPER LIMIT TEMPERATURE	-20°C - 80°C

## ABS (Acrylonitrile Butadiene Styrene)

- High impact and notched impact strength even at sub-zero temperatures
- Very good resistance to heat deformation
- Good resistance to chemical, environmental stress cracking, scratch and hardness
- Short to Medium term outdoor
- Long term outdoor

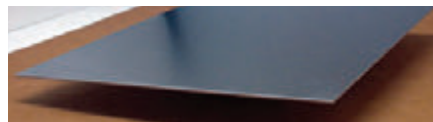

DURABILITY	7-10 YR INDOOR/5-10 YR OUTDOOR
CHEMICAL RESISTANCE	As per SANS 1186-5
ABRASION RESISTANCE	As per SANS 1186-5
UPPER LIMIT TEMPERATURE	-50°C - 100°C

## ALUMINIUM ANODISED

- 0.9mm thick
- One of the strongest materials in the signs industry
- Gives a very professional finish
- Material has rust resistant properties
- Short to Medium term outdoor
- Long term indoor

DURABILITY	10-20 YR INDOOR/5-10 YR OUTDOOR
CHEMICAL RESISTANCE	HIGH
ABRASION RESISTANCE	HIGH
UPPER LIMIT TEMPERATURE	-50°C - 100°C

## ACM

- 2-5mm thick
- One of the strongest materials in the signs industry
- Gives a very professional finish
- Material has rust resistant properties

DURABILITY	15-20YR INDOOR/15-20 YR OUTDOOR
CHEMICAL RESISTANCE	HIGH
ABRASION RESISTANCE	HIGH
UPPER LIMIT TEMPERATURE	-30°C - 80°C

## CHROMADEK

- 0.8mm thick
- One of the strongest materials in the signs industry
- Gives a very professional finish
- Material has rust resistant properties

DURABILITY	5-10YR OUTDOOR
CHEMICAL RESISTANCE	HIGH
ABRASION RESISTANCE	HIGH
UPPER LIMIT TEMPERATURE	-9°C - 30°C

# 3

## SABS SYMBOLIC SAFETY

Our comprehensive range of South African symbolic safety signs will assist in keeping those around you informed and safe. When it comes to safety, you don't want to cut any corners. Make sure your building, site, office or recreational area is clearly marked.

# SAFETY SIGNS

## ALL INFORMATION IS RELATED TO SANS 1186-1

In accordance with the South African National Standards (SANS 1186-1:2015), Symbolic Safety Signs have to operate under certain standards. This standard is referenced in the Regulations of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000), the Constitution of the Republic of South Africa, 1996 (Act No. 108 of 1996), the Water Services Act, 1997 (Act No. 108 of 1997), and the National Building Regulations and Building Standards Act, 1977 (Act No. 103 of 1977).

## COLOUR CODING

	DESCRIPTION	FEATURES	MATERIALS	SIGN EXAMPLES
FIRE SAFETY	Be careful; take precautions; examine	Square shape; red pictogram on white background with red edging	ABS Photoluminescent Decal/Vinyl Chromadek

## INTERNATIONAL SYMBOLIC SAFETY

This safety signs collection contains the signs from ISO 7010 for the purposes of accident prevention, fire protection, health hazard information and emergency evacuation for use in the workplace and public areas. Using the international system helps to ensure consistency in classification regardless of where you are based.

## SMOKING

No smoking laws continue to be enforced and there are strict guidelines in terms of what signs need to be displayed where. Failure to comply could result in a penalty. Be sure you have the right signage to avoid being on the wrong side of the law. Our range of smoking signage will aid you in effectively communicating where people can and can't smoke.

## FIRST AID

Accidents unfortunately happen and, as a result, employee safety is not an area you can ignore. Our comprehensive range of first aid signage allows you to clearly indicate your first aid area, equipment and trained first aiders. Make sure everyone knows where to go and who to call in case of an emergency.

## CONSTRUCTION

Displaying construction site signage is a legal requirement and plays a critical role in reducing potential dangers on building sites and construction areas. Whether warning workers of potential hazards or instructing what protective gear should be worn make sure everyone on site is kept safe with our comprehensive range of signs.

## PETS

Whether warning others about a dog on your property or asking them not to feed the animals our comprehensive pet signage range has it all. We have signs specifically created for private home and car usage as well as more commercial signage for farms and parks. Using a variety of different materials our signs are perfect for both indoor and outdoor use.
